Dear Zahira Novelo:

On behalf of Worldwide Responsible Accredited Production (WRAP), it is our pleasure to award the **Platinum Certificate of Compliance to Textile La Paz LLC — WRAP# 7090**.

This WRAP certification is valid from **May 18, 2016 to May 18, 2018**, contingent upon full compliance with WRAP's 12 Principles.

As per the rules of the WRAP Certification Program, your facility may be subject to a free unannounced post certification audit (PCA) by an accredited WRAP Independent Monitor or WRAP staff during the certification period. Selection of the monitor and date of the PCA is exclusively authorized by WRAP. If your facility is selected for a PCA, management must fully cooperate with the monitoring party, grant full access to the facility, and demonstrate full compliance with WRAP Principles. Failure to do so may result in decertification and/or suspension from the WRAP program for 12 months.

We congratulate your facility for its commitment to socially responsible manufacturing.

Sincerely,

Avedis H. Seferian
